

Temper-Crete Training

Temper-Crete Self-Educated Training. The purpose of this course is to increase your knowledge of our Temper-Crete system.

This is a two-step process that will take approximately 45 minutes to complete. You will be required to complete a short test and submit your answers.

Education

Spec Sheet: A detailed specification sheet for the Temper-Crete system, including product information, application instructions, and safety data. [View Spec Sheet](#)

Materials Cost: The Materials Cost Template is a powerful tool for you and your customers. Click below, find and download the Material Cost Template, then estimate the materials and associated cost a 500 sq ft job.

Temper-Crete System Page: Scroll down to find the [Materials Cost Template](#).

*Alternatively, the [Materials Cost Template](#) shows the material needed without pricing.

3. Color Chart: The Temper-Crete™ system is available in a variety of colors and finishes, click to review the color charts:
