

Tidalstone™ Flooring System – Self-Educated Training

Welcome to Westcoat’s Tidalstone™ Flooring System Self-Educated Training. The purpose of this course is to increase your knowledge of our Tidalstone System.

This is a two-step process that will take approximately 45 minutes to complete. You will be required to complete a short test and submit your answers.

Education

1. Spec Sheets: The **Tidalstone™ Thin Film** and **Tidalstone™ High Build** system spec sheets contain detailed information on uses, materials, and coverage rates for these systems. The specs also have detailed instructions on the proper application steps from preparation to final coat to achieve a successful installation.
2. Materials Cost: Westcoat’s Materials Cost Template is a powerful tool for you and your customers. Click below, find and download the Material Cost Template, then estimate the materials and associated cost a 500 sq ft job.

Tidalstone System Page → scroll down to find the Material Cost Templates

Thin Film

High Build

*Alternatively, the **Material Estimator** shows the material needed without pricing.

3. Color Chart: The Tidalstone™ system is available in a variety of colors and finishes. Click to review the color chart:

Tidalstone™

4. Tools: Get familiar with the recommended tools needed to install this system.
