

CA-53 Cove Cap

Description

Westcoat's CA-53 Cove Cap is a pre-molded, plastic termination strip with adhesive, that helps to form a controlled edge for formed coves or controlled termination point for flooring systems.

Uses

CA-53 is designed to be used with a variety of Westcoat's resinous flooring systems and is suitable for vertical and horizontal applications in retail facilities, factories, schools, commercial applications or anywhere a hand formed cove or floor termination is required.

Advantages

Easy of Application ▪ Flexible Plastic ▪ Allow for Quick On-Site Application ▪ Controls Height and Thickness of Edge

Product Data			
Packaging	5 Linear Feet per Strip (200 pcs per box)	Colors	White
Coverages	~1000 linear feet/box	Mix Ratio	N/A
VOC Content	0 gm/l	Shelf Life	1 year in unopened packaging

Inspection

Surface must be prepared in the proper manner that is required in the System Specification sheet for the desired application.

Preparation

Refer to the appropriate System Specification sheet prior to installation for preparation instructions.

Coverage

Coverage is approximately 5 linear feet per termination strip and approximately 1000 liner feet per box of CA-53 Cove Cap.

Application

Apply to a clean and sound substrate. Ensure that the surface is prepared in accordance to the related System Specification sheet. Remove protective strip from the adhesive side of the Cove Cap and adhere the CA-53 at the desired height. Cut CA-53 to the desired length (if necessary). For installation on outside or inside corners, snip the top edge in a "V" to allow the CA-53 to bend. For more information on application, please refer to the appropriate System Specification sheet.

Limitations

- Do not apply to damp or wet surfaces.
- This product is designed for professional use only, by experienced applicators.

DISCLAIMER: PURCHASER'S SOLE AND EXCLUSIVE REMEDY AGAINST THE MANUFACTURER OF WESTCOAT, SHALL BE LIMITED SOLELY TO THE REPLACEMENT OF ANY DEFECTIVE MATERIAL OR A PAYMENT BY THE MANUFACTURER IN AN AMOUNT EQUAL TO THE COST OF THE ORIGINAL MATERIAL.
