

PRODUCT UPDATE | SAFETY YELLOW

Dear Westcoat Customer,

Westcoat is proud to announce our improved Safety Yellow offerings for the following materials:

- **EC-12 Epoxy Primer**
- **EC-34 Epoxy Topcoat**
- **EC-95 Polyurethane Topcoat**

We have increased the overall hide for these materials, reduced dry times and designed each product to meet ANSI color standards, in accordance with ANSI Z535.1.

Effective Date

EC-12 Epoxy Primer & EC-34 Epoxy Topcoat

Starting October 30th 2023 or all batch numbers 23303 or later.

EC-95 Polyurethane Topcoat

Starting July 25th 2023 or all batch numbers 23206 or later.

If you have any additional questions on this improved formula, please contact your local Westcoat Sales Representative or contact us at 1-800-250-4519
