QCA Program

Purpose

The purpose of the QCA (Qualified Contractor/Applicator) program is to develop and qualify a higher quality application force for referring to property owners, general contractors and architects.

Procedure

- 1. Applicator qualifies by filling out QCA form asserting their credentials
- 2. A data bank is housed at Westcoat corporate offices
- 3. As clients call, QCAs are matched with clients
- 4. QCA is notified via email of client's request
- 5. Client is given QCAs contact information (and vice versa)
- 6. Client and QCA connect to determine needs and project clarification
- 7. Westcoat remains in background as communication support and follow-up as needed
- 8. Program Renewal:
 - Initial Acceptance: Valid for two years
 - First Renewal: Valid for three years
 - Second Renewal: Valid for five years
