**CUSTOM HOME  
SOLUTIONS**

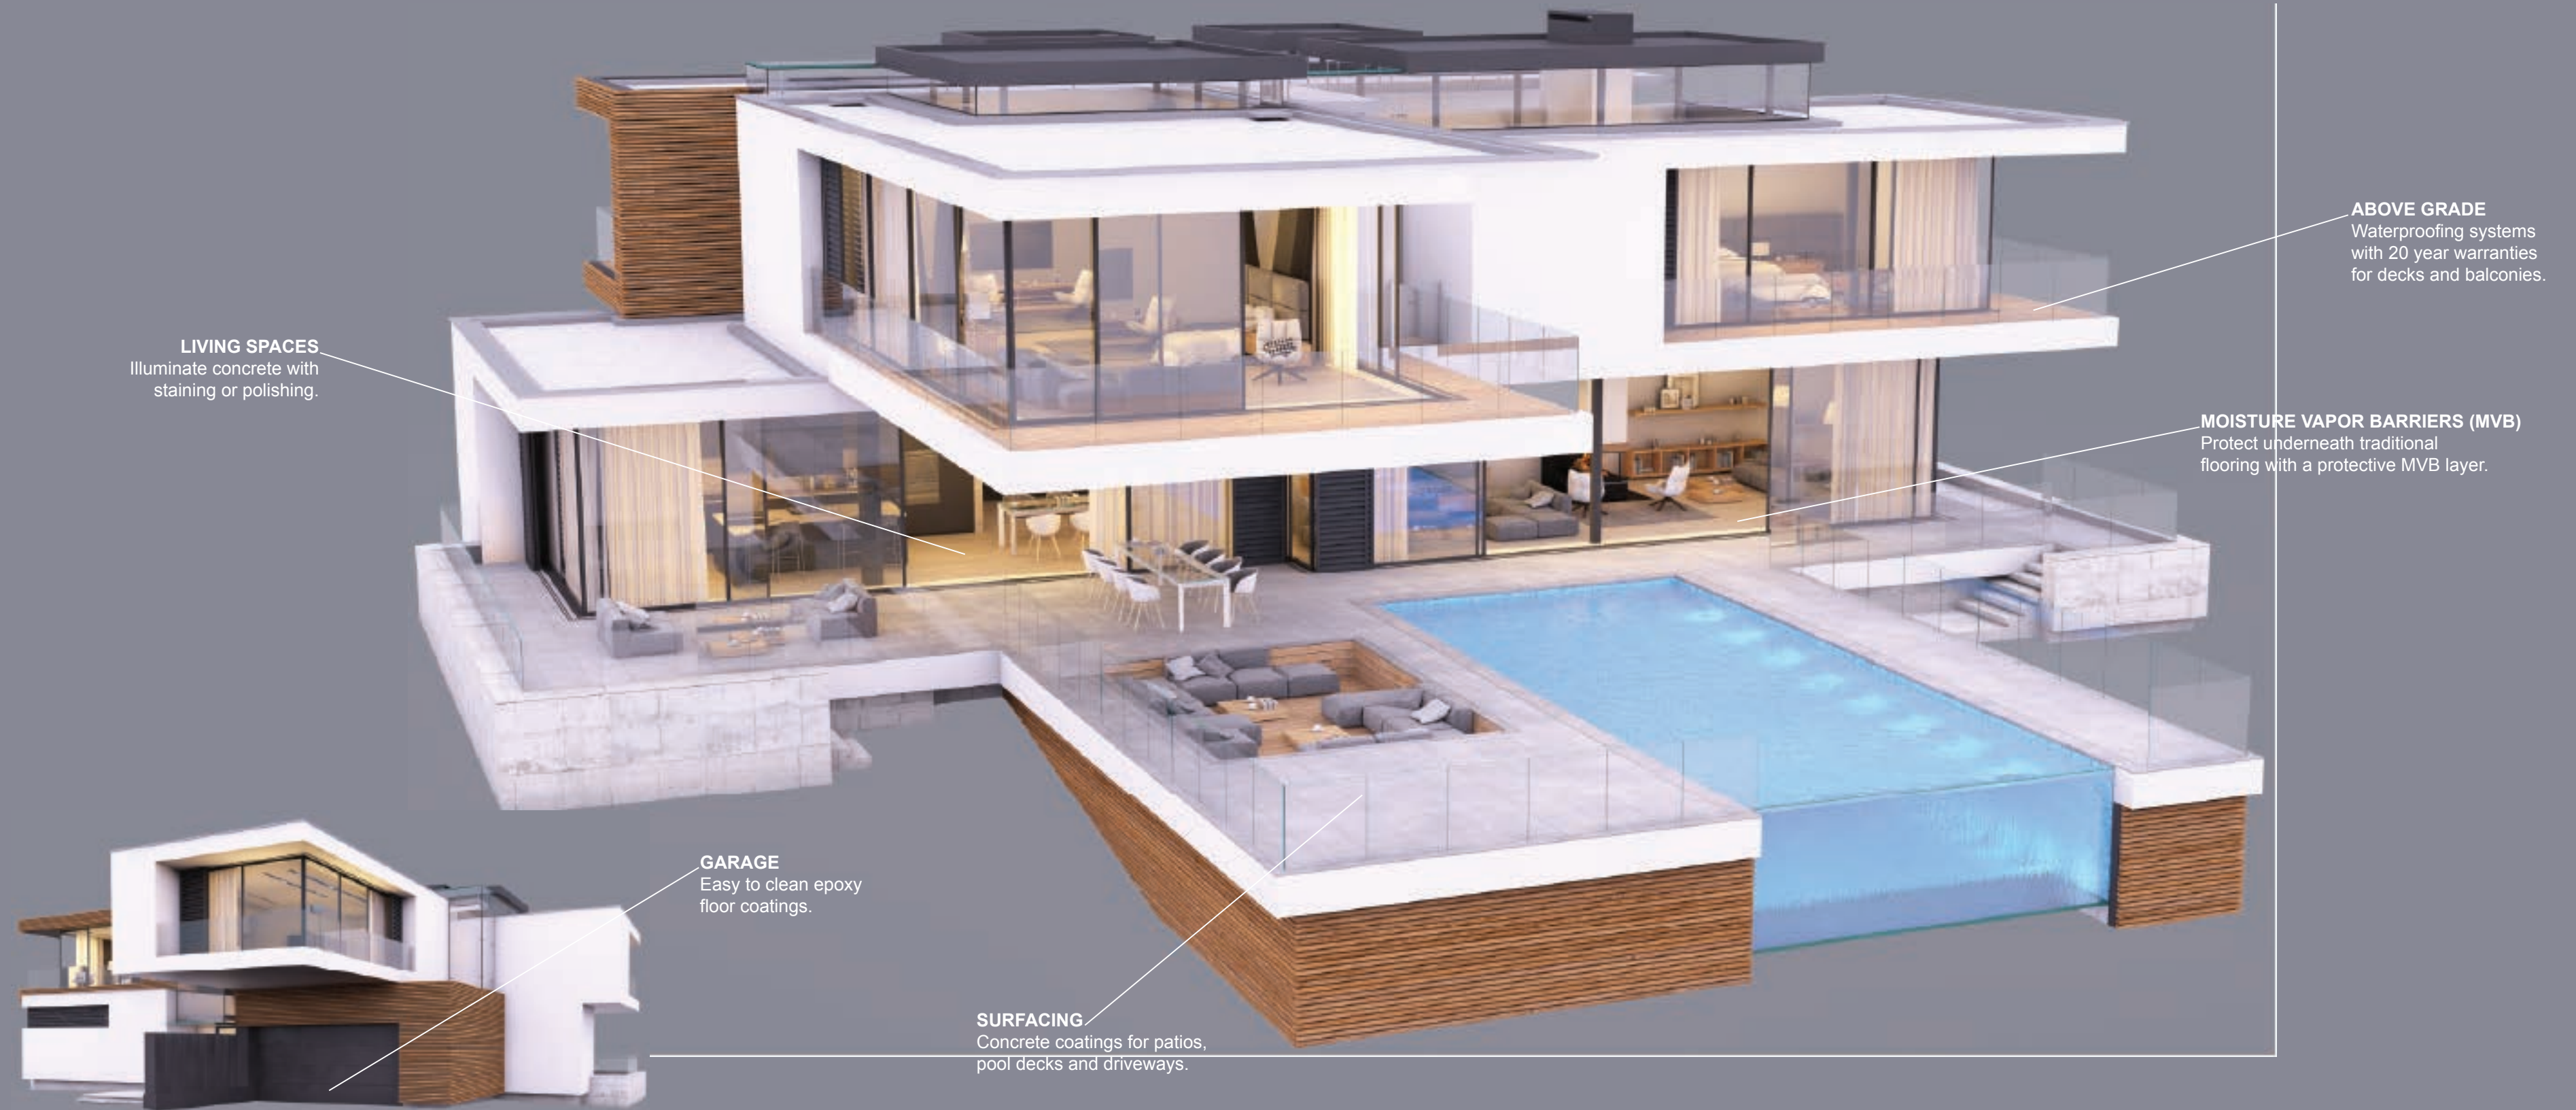

## CUSTOM HOME SOLUTIONS

With Westcoat Systems you can explore a variety of flooring solutions to create the perfect look for your home.

Coating options include epoxies, concrete stains and decorative overlays. Color options are endless and can fit your design scheme from subtle to bold. Durable topcoats seal and protect your floors from chemicals, abrasion and UV light. Choose from varying textures and sheens to fit any aesthetic.

Waterproofing systems for decks and balconies will withstand weather and come with 10 to 20 year warranties. Going with traditional flooring? No problem, Westcoat offers a moisture vapor barrier solution for interior floors.

Westcoat has the perfect solution for your floor coating needs.
